

Please note that the Babysitting Course previously advertised for February 3 will now take place January 20

Canadian Red Cross  
Croix-Rouge canadienne

Courses are taught  
by a  
Certified Red Cross  
Instructor

The Canadian Red Cross training for children can make reaching your goals easier. Together, we can prepare youth to handle critical situations with responsibility and care, which will ultimately increase their self-respect and respect for others.

**We provide the whole course as it was intended by the Red Cross and do not overfill the class. Quality is important to us!**
