

Non-Resident Library Membership Fees

Persons who do not reside, own property, work, or attend school in Georgina, or reside in the neighbouring municipalities of East Gwillimbury, Whitchurch-Stouffville, King, or Markham, will be charged for library services. Annual fees for non-residents will be set each year by the Library Board and will be based on the per capita cost to run the library for its resident patrons.

Non-residents will be charged an annual fee of \$35/person or \$50/family for a GPL membership to match the tax impact on Georgina citizens for library services. (effective January 1, 2010)
