

September is Library Card Sign Up Month at Georgina Public Libraries

September is Library Card Sign-up Month and the Georgina Public Library wants to make sure that all children have the **smartest card of all** - a library card. Studies show that children who are read to in the home and who use

the library perform better in school and are more likely to continue to use the library as a source of lifetime learning.

Sign up for a new library membership and you will get a prize.
(for children that have never had a library card)

Starts Wednesday, September 1
