

Teens can make a difference @ your library™

Why not volunteer at Georgina Public Libraries and serve your community??

The Student Community Service Program allows secondary school students to give of their time and talents at the Library. Students are invited to develop a program based on their special interest (eg. drama/storytelling, music, computers, crafts, public awareness/info seminars) and submit to the Branch Librarian for approval and facilitating support. *Only applications outlining a specific program proposal will be considered.*

Community Services Application

Name: _____ Date: _____

Address: _____ Town: _____

Province: _____ Postal Code: _____ Phone: _____
