

Library Play and Learn Program

Starting Tuesday, September 7 @ 10:30-11:30 bring your 3+ year old to the newest program at Georgina Public Libraries.

Research has told us that while it may appear that all children are doing is playing for fun, it is actually a much more important part of a child's developmental process.

Children will experience a variety of hands-on play activities, enjoy books and socialize.

A great time for learning.
